

Adding new records to dictionaries

You can add new record using "Add" button:

The screenshot shows the JIRA CRM interface. The top navigation bar includes 'Dashboards', 'Projects', 'Issues', 'CRM', and a 'Create' button. A search bar is on the right. The left sidebar contains various icons, with a red box highlighting the '+' icon. A red arrow points from the text 'You can add new record using "Add" button:' to this icon. The main area displays a table of records with columns: Company Name, Industry, Type, Site, Phone, and Contact. Each row has a checkbox on the left and a gear icon on the right.

<input type="checkbox"/>	Company Name ↑	Industry : All ▾	Type : All ▾	Site	Phone	Contact
