

Installation

You can find CRM plugin for JIRA in the JIRA Add-ons menu. To install plugin just find it by 'crm' and try or buy through Atlassian Marketplace.

The screenshot shows the JIRA Administration interface. The top navigation bar includes 'Dashboards', 'Projects', 'Issues', and a 'Create' button. The 'Administration' section is active, with a search bar for 'JIRA admin'. The 'Add-ons' tab is selected in the left sidebar, and the 'Find new add-ons' link is highlighted. The main content area displays the 'Atlassian Marketplace for JIRA' with a featured 'JIRA Service Desk' add-on. Below this, a search bar contains the text 'crm', and the search results show two plugins: 'CRM for JIRA' by Teamlead and 'Zoho CRM plugin for JIRA' by KoiSoft. Both plugins have a 'Free trial' button highlighted.
