

Installation

To install the plugin you need to logon to JIRA as a system administrator, and in the **Administration menu \ Add-ons** find our plugin by name: **Calendar for JIRA** and install it.

Licensing

Licensing is the same for all our plugins.

[Get License from Atlassian Marketplace](#)

 **30 days trial period**

After installing plugin you will automatically get 30 days trial period. After that time you have to request a new license key. See instruction below.

Get License from Atlassian Marketplace

To get your license through Atlassian Marketplace you must request trial key or buy commercial license in **JIRA\Administration\Add-ons** menu.
