

Login to HelpDesk

To login to HelpDesk just use the link "HelpDesk" in JIRA main menu:

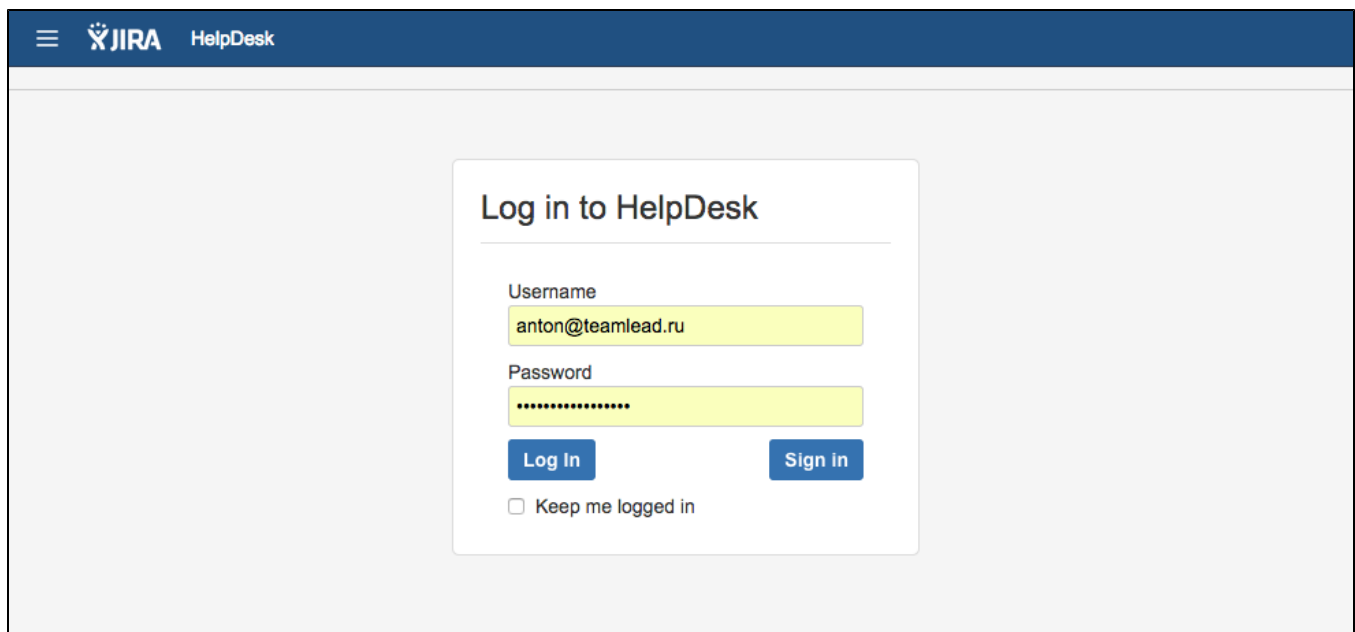

The screenshot shows the JIRA System Dashboard. The top navigation bar includes the JIRA logo, a hamburger menu, and links for Dashboards and HelpDesk. The HelpDesk link is highlighted with a red rectangle. Below the navigation bar, the page title is "System Dashboard". On the left, there is an "Introduction" section with a welcome message and a link to the JIRA User's Guide. On the right, there is a "Login" section with input fields for Username and Password, a checkbox for "Remember my login on this computer", and a "Log In" button. A link for "Can't access your account?" is also present.

..and after that you have to enter your credentials:

Your user shouldn't have a JIRA logon permission (like jira-users), but it is a basic JIRA user.

The screenshot shows the JIRA HelpDesk login page. The top navigation bar includes the JIRA logo and the HelpDesk link. The main content area is titled "Log in to HelpDesk". It contains a form with input fields for Username and Password. The Username field is pre-filled with "anton@teamlead.ru". Below the Password field, there are two buttons: "Log In" and "Sign In". At the bottom of the form, there is a checkbox labeled "Keep me logged in".
