

Default Priority Level

If JIRA [Priority Level](#) is assigned as default, HelpDesk Issues created will also have the same default Priority even if this field is not included in Create Issue Screen.

View Priorities

The table below shows the priorities used in this version of JIRA, in order from highest to lowest.

• Translate priorities

Name	Description	Icon	Color	Order	Actions
Highest	This problem will block progress.	↑		↓	<div>Edit Delete Default</div>
High	Serious problem that could block progress.	↑		↑ ↓	<div>Edit Delete Default</div>
Medium (Default)	Has the potential to affect progress.	↑		↑ ↓	<div>Edit Delete</div>
Low	Minor problem or easily worked around.	↓		↑ ↓	<div>Edit Delete Default</div>
Lowest	Trivial problem with little or no impact on progress.	↓		↑	<div>Edit Delete Default</div>

Priority field is on Create Issue Screen is filled in with default priority:
