

Login to HelpDesk

To login to HelpDesk just use the link "HelpDesk" in JIRA main menu:

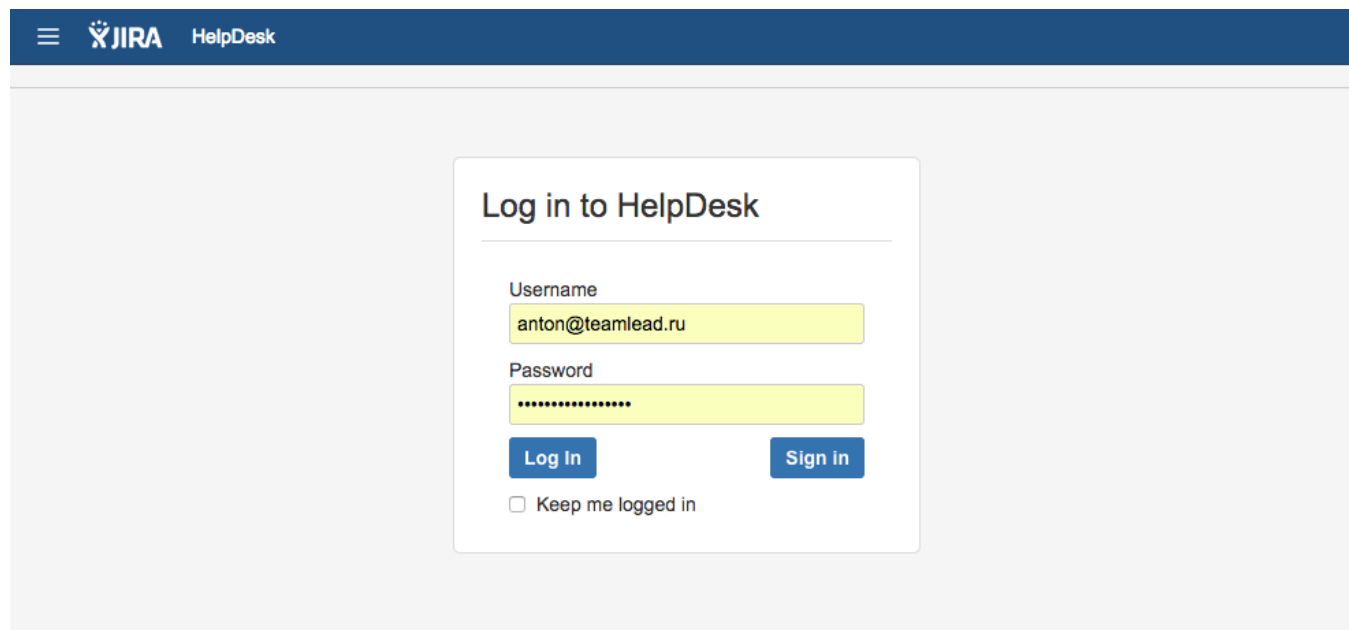

The screenshot shows the JIRA System Dashboard. The top navigation bar is dark blue with the JIRA logo, a hamburger menu, and links for 'Dashboards' and 'HelpDesk' (which is highlighted with a red box). There is also a search bar and a 'Log In' link. Below the navigation bar, the 'System Dashboard' title is on the left, and a 'Tools' gear icon is on the right. The dashboard is divided into two main sections: 'Introduction' and 'Login'. The 'Introduction' section has a blue header and contains a welcome message: 'Welcome to CRM Demo' and 'New to JIRA? Check out the [JIRA User's Guide](#).' The 'Login' section has a blue header and contains fields for 'Username' and 'Password', a checkbox for 'Remember my login on this computer', and a link for 'Can't access your account?'. A 'Log In' button is also present.

..and after that you have to enter your credentials:

Your user shouldn't have a JIRA logon permission (like jira-users), but it is a basic JIRA user.

The screenshot shows the JIRA HelpDesk login page. The top navigation bar is dark blue with the JIRA logo, a hamburger menu, and the text 'HelpDesk'. Below the navigation bar, the page has a light gray background. In the center, there is a white box with the title 'Log in to HelpDesk'. Inside this box, there are fields for 'Username' and 'Password'. The 'Username' field contains the text 'anton@teamlead.ru'. The 'Password' field contains a series of dots. Below the password field, there are two buttons: 'Log In' and 'Sign in'. At the bottom of the box, there is a checkbox labeled 'Keep me logged in'.
