

Calendars Permission

You can set up calendar permissions.

- Go to **JIRA Administration menu \ Add-ons \ Calendar**;

Group who can view Calendars	Choose groups who can view the calendar. By default, no group has the right to view, specify at least one group on the day you start working with the calendar.
Groups who can create Calendar	Choose groups who can create the calendar. Users who do not have the permission to create a calendar can not copy them.
Groups who can Remove Calendar	Choose groups who can remove the calendar.
